

Nokia Mini Speaker MD-11 Data Sheet

Key Features:

- **Big Sound:** Omni-directional speaker, powerful driver and built-in amplifier. Easily connect two for true stereo sound.
- **Smart and easy:** Plug and play then pack it away. No tangled wires thanks to smart cable design.
- **Your favorite songs and radio stations:** Hook it up with Nokia devices, PCs and other music players with 3.5 mm audio connector, or 2.5 mm connector with additional adapter. Cable works as an antenna for radio when used with Nokia devices.
- **Powered up:** Enjoy over 30 hours of non-stop music with long life batteries. On/off switch and LED.
